Our dwelling place has been with the Lord for 89 Years of Ministry

Reedurban DECEMBER 2015 Newsletter

Dear Friends,

Get ready – get set – WAIT! The beginning of the church year is pretty much expressed in those words. Advent is a season of preparation. It's not so much about decorating and shopping and baking and wrapping as it is about praying and listening for God's voice, rereading the prophecies and looking for signs of the Lord in our midst, and practicing trust in our Savior.

A wonderful Advent resource is "*Advent Conspiracy: Can Christmas Really Change the World?*" The three young pastors who put the resource together suggest some Advent practices to help us prepare for Christmas in a way that changes us and impacts the world around us.

- 1st: **WORSHIP FULLY.** It starts with Jesus. It ends with Jesus. It's a season where we are called to put down our burdens and lift a song up to our God. It's a season where love wins, peace reigns and a king is celebrated with each breath. Entering the story of Advent means entering this season with an overwhelming passion to worship Jesus to the fullest.
- 2nd: **SPEND LESS.** It's not about becoming Scrooge. Gifts are good. But consider this: America spends an average of \$450 *billion* every Christmas. How often have you spent money on presents for no other reason than obligation? How many times have you received a gift out of the same obligation? Consider instead buying ONE LESS GIFT this Advent season. Believe it or not, people who have taken this small challenge have experienced a miracle: *They've been more available to celebrate Christ during the Advent season.* Need some ideas for more meaningful giving? Check out the bulletin board outside Fellowship Hall.
- 3rd: **GIVE MORE.** God's gift to us was *a relationship built on love.* It's no wonder we're drawn to the idea that Christmas should be a time to love family and friends in memorable ways. *Time* is the real gift Advent offers us, and no matter how hard we look, it can't be found at the mall. Take time to be with family and friends, to listen and share, to make love visible through relational giving.
- 4th: **LOVE ALL.** When Jesus loved, he loved in ways never imagined. Though rich, he became poor to love the poor, the forgotten, the overlooked, and the sick. He played to the margins. By spending less at Christmas we have the opportunity to join him in giving resources to those who need help the most. In the first four churches challenged by this simple Advent Conspiracy concept, \$4 million dollars was raised for people in need! The dollar amount doesn't matter. What matters is our response to the *blessed gift of our Savior* in "the least of these."

Worship fully, Spend less, Give more, Love All. God bless you this Advent season.

Lynn

P.S. Yes, through the Spirit of God working in us, Christmas CAN change the world.

PARISH HEALTH MINISTRY UPDATE

The holiday season is the most stressful time of the year. Here are 10 tips for coping with stress, depression and the holidays suggested by the *Mayo Clinic Healthy Lifestyle*.

1. Acknowledge your feelings of sadness if recent loss of loved one or not being able to be with any loved ones.
2. Reach out to others by volunteering your time to those in need.
3. Be realistic and realize families grow and change so traditions and rituals also change.
4. Set aside differences and try to accept family members and friends just as they are.
5. Stick to a budget when gift and food shopping; don't try to buy happiness with extra gifts.
6. Plan ahead and plan specific times for shopping, baking and visiting friends and family.
7. Learn to say NO. Saying yes when you mean no leaves you feeling resentful and overwhelmed.
8. Keep healthy habits by including regular physical activity, get enough sleep and avoid excessive intake of sweets, cheese and alcohol at parties.
9. Have time for yourself. Find something to reduce stress and slow your breathing, and feel inner calmness.
10. Seek professional help if feeling persistently sad, anxious, have physical symptoms, insomnia or unable to face routine daily chores.

Get your blood pressure checked to be sure your stress level is not raising your blood pressure. We will have blood pressure screening during the Community Dinner, Tuesday December 29, 2015 from 4PM – 6:30 PM.

It is getting increasingly more expensive to send our monthly newsletter through the mail. We are moving toward sending the newsletter by email as many churches have already done. We hope to have this accomplished within the next couple of months. We are asking for your help. Please provide us with your current email as soon as possible. You can fill in the attached form and drop it in the offering plate, leave it at the church office or mail the form to the church. This will save the church money when it has been converted.

BETTY'S SHOEBOX MINISTRY

This year, Outreach has decided to keep this vital Christmas ministry alive, but within PERRY TOWNSHP. Using their application and verification process, the Salvation Army will be distributing these boxes to children in our own community.

Christmas wrap each box (lid & base separately), rubber band the top to the bottom and attach an appropriate label (boy/girl, age group). In order to “not forget” the older children, an equal number of labels for each category will be available. We will insert a Merry Christmas and God Loves You from Reedurban Presbyterian Church in each box.

Suggested items to include in each shoebox are: pens, pencils, sharpeners, crayons, markers, stamps/ink pad, writing pads, coloring or picture books, small cars, stuffed animals, yo-yo's, jump ropes, toothbrush, toothpaste, combs, brushes, candy, gum, socks, ball caps, sunglasses, hair clips, toy jewelry, watches, Bible story books, etc. **DO NOT INCLUDE** used items, war related items such as guns or knives or anything in a glass containers.

A sample shoebox and labels will be available in the Narthex. Bring your shoeboxes to the church through December 6th.

The Sunday children's education program resumed on September 13th.

Sharing Ministry and Mission

A feature of our Sunday worship during the fall has been the sharing of Ministry Teams and mission-related groups. We are learning and re-learning the faithful, caring things that the congregation undertakes in order to “*Glorify God, Make Disciples, and Meet Human Needs.*” The presenters have done a wonderful job, and each week’s sharing has been inspirational!

The church is filled with inspiring stories of faith. Each of us has a story to tell of our individual faith journeys and how the Lord has blessed us along our way through caring people and the church community. You are invited to offer your story for publication through our monthly newsletter. It is an opportunity to glorify God and inspire the church. We are blessed by *Wendy Lichtenwalter* to share her faith story this month.

Wendy Lichtenwalter Faith Journey

When I was just a little girl, I went with my three sisters to church each week. My first memory is singing “Jesus Wants Me for a Sunbeam” while waving yellow crepe paper during adult worship. We wore our little white gloves with our offering money tucked inside and walked to our grandparents’ house right after Sunday School. In the 4th grade we were required to memorize poems about the Ten Commandments and the names of the apostles as well as several passages of scripture before moving up to the Junior Department. In that group each Sunday we had a bible class and a short worship service led by a church Elder. I remember that the teachers were endlessly patient and taught about Jesus and the many figures in the bible with love. Camp Lambec, a Presbyterian camp on Lake Erie, was the highlight of my junior high years, impressing me with the wide faith of a community in the beautiful vespers each evening.

As a senior high student we had a new Christian Education director who really fired us up! I still enjoy friendships with two of those friends with whom I attended church weekly. A turning point in my relationship with the Lord came when I was scheduled to go on a retreat. The day we were leaving, I got a rejection letter from the college I expected to attend. I was devastated and tried to cancel the trip, but my friends persuaded me to go. Everyone on the retreat made a circle around me and prayed with and for me – a truly life-changing experience. The next Monday, my guidance counselor answered my prayers by encouraging me to go to a little college she knew – I was accepted within a week! The college introduced us to professors who would provide transportation to churches, so I had the opportunity to worship in a Presbyterian church during that time.

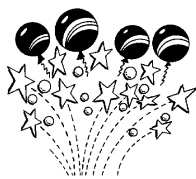

My adult life has been one of trusting God to guide me and show me the path to faith, stewardship of the Earth’s resources, and service to others. I was blessed to be out of the workforce for many years during which time I volunteered with Boy Scouts, Girl Scouts, and community boards which provide services to the poor and marginalized folks in our community. Teaching in Canton City Schools brought me face-to-face with people who need those services and once again, God brought me friends in faith to help children overcome barriers.

Reedurban is the closest church to our house, so when we were looking for a new church family, this little Presbyterian church was a first step. The warmth, welcome, and genuine concern for us, as well as invitations to take leadership roles in service to God made this a perfect fit. The most personally rewarding part of being in this faith community is being part of our small group. I have seen God’s love, felt God’s guidance, and have learned how to be more faithful to his voice in my life as a result of this close, trusting relationship. Although my life hasn’t been one of “lightning bolt” moments, my faith has been an upward journey which has many chapters yet to be read.

Congratulations to Rick & Annette Schreffler on the birth of their new granddaughter, Hannah Schreffler on November 5, 2015 at 2:21 p.m. She weighed 8 lb. 4 oz.
